Feeling Great about Learning

# Benhall St Mary's News

*If anyone has lost a key please see the school office—it has a blue keyring attached.*

*The last issue of our newsletter had a headline which read "Train arrive..." this is the opening line from the song 'Mystery train' by Elvis Presley*

## Snape Music

Last week years 2, 3 and 4 appeared on the world famous stage of Snape Maltings as part of the 'Celebration of schools music'. This is the first time our school has taken part since 1997. Many of them conquered fears and nerves and really rose to the occasion. It was a truly amazing experience for our children and one that will stay with them for years to come.

## Play Castle ready for combat!

Here is our new play castle which was formally opened this week. The blue 'ecoscape' safety surface represents a moat. It has green inside and the material is made out of old car tyres. The castle even has its own flag pole which just needs a flag with the Benhall School logo on! Anyone knows of any flag makers do let us know.
