Benhall St Mary's News

Special Interest

Please remember to pay dinner monies on Monday morning only—for the whole week.

Snow Joke

The snow has hopefully subsided now but the children are still making the most of what is left on the ground. We apologise for the inconvenience of closing during the snow but we hope you felt the text messaging service, announcing the closure, was more efficient than the radio announcements'.

Letters this week

Mon	
Tues	
Weds	
Thurs	Dates/clubs
Fri	ITFC- leaflet

PTA

PCSO in the house.

On Wednesday our local Police community support officer came to talk in assembly. The topic for the assembly was 'kill speed not me', and included the launch of a competition for children to design a poster about any issue of road safety. All entries must be on A4 paper and be returned to school by 22nd of January.

Also in the assembly was our local road safety officer who invited Year four children to apply for the position of road safety officers. We very much hope that you will encourage your child to apply by letter, stating why they would make a good road safety officer. (also by 22nd January)

Next weeks lunch

Day	Main	Dessert
Mon	Homemade Pizza	Butterscotch whip/biscuit
Tues	Chicken Casserole	Oaty Fruit crunch
Weds	Meatballs in Tom sauce	Choc drizzled swiss bun
Thur	Roast Beef	Apple Crumble/ custard
Fri	Fish Fingers	Jam Sponge/ custard

Rustle up a rellie

We are holding another of our rustle up a relative days on 2nd of March. Come at after break to join in a literacy lesson and then stay for lunch

Parent's forum

Come and have a cuppa and a chat about anything to do with school life on next Friday 22nd January at 9 am.

Fri 16/7	Achievement Assembly 2.45pm

SCIENCE WEEK

8th—12 March is our Science week. As well as the children having lots of science fun during the week, this term we would like to hold a Science Fair on Friday 12th March at 6pm where the children demonstrate Science to the adults.

To celebrate the week we would like to invite any parents or relatives who could provide additional scientific support! Perhaps you know of a great science experiment that you could share. Please let us know.

And finally...whilst learning about 3D shapes one little child in Acorns when faced with a cuboid and asked to name it said “easy, it’s a stretchangle” have a good weekend. Chris Gallagher
