Feeling Great about Learning

# Benhall St Mary's News

## Special Interest

*Please remember to pay dinner monies on Monday morning only—for the whole week. (Cheques payable to Suffolk County Council)*

## TOY STORIES

On Monday of this week Acorn class went on a school trip to Ipswich museum. They spent time looking at toys from the Victorian days, discovering what toys were made of and how they moved. During a workshop the children played with wooden toys from the Victorian era and looked at one of the first books written that made noises.

## Bird Cam

Our School Council have spent some more of their money, this time on a bird box web cam. The money was kindly donated by Georgie's Nan, Lesley. The webcam is positioned in one of our bird boxes that last year's Woodwork club made. It is connected to a TV screen in the classroom so we can watch any birds nesting. We currently have a sparrow nesting at quieter times.

## PTA

**Thanks to everyone who brought in Jumble—we made £75 for the school library.**

**Next PTA meeting 25/02/10, 3.15pm**
