

## Withdrawal of Consent

The school requires parental consent for a number of activities which are undertaken on a daily basis, and this consent is held confidentially in the pupil's blue folder. Consent is usually collected for activities such as use of photos and local school visits.

If at any time you wish to withdraw your consent for a particular activity, we would recommend speaking to the school office/Headteacher in the first instance to ensure you understand how this may affect your child.

You should then complete this form and we will withdraw your consent immediately and place this on your child's file as a record of your decision.

Please complete a separate form for each child who attends the school.
